Continuation of Attachment(s) 3. Information Disclosure Statements (PTO/SB/08), Paper No./Mail Date: 02/03/2006

***Reason of Allowance***

1. Applicant's response to the last Office Action, filed May 16<sup>th</sup>, 2007 has been entered and made of record.

2. The following is an examiner's statement of reasons for allowance:

Independent claims 1,8,16, and 21 are allowable over the prior art of record.

Claims 2-7, 9-13, 17-20, and 22-24 depend from claims 1,8,16, and 21 respectively, therefore, are allowed.

Independent claims 1,8,16, and 21 recite the limitations of: "Wherein scaling comprises multiplying the first stroke parameter with a ratio of a reference area to the input area". The combination of these features as cited in the claims in the combination with the other limitations of the claims, are neither disclosed nor suggested by the prior art of record.

The closest reference of US 5,911,005 to Uchiyama discloses a character recognition method and system. However this reference either by itself or by combination with other references does not teach the limitations that the scaling comprises multiplying the first stroke parameter with a ratio of a reference area to the input area.

3. In view of the amended claims and the Applicant's Arguments, the rejection to claims 1-7, 8-13, 16-20, and 21-24 are expressly withdrawn.

Art Unit: 2624

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submission should be clearly labeled "Comments on Statement of Reasons for Allowance."
